

DUAL

Airside Liability

Did you know you can offer your clients airside liability cover without having to move their current casualty policy?

When companies work at airports, most insurance policies automatically exclude the legal liability associated with this hard-to-place risk. We've engineered an air tight solution to help cover your clients' exposure.

Risk appetite

- Concessionaires
- Contractors
- Suppliers
- Companies that work airside at UK airports (inc. military)

Key features

- Airside liability wording
- Flexible limits of liability, including higher limits normally required for major airports
- Corporate defence costs
- Personal injury extension
- Standalone product – no need to additionally insure the balance of casualty cover
- Ability to write in conjunction with our engineering and manufacturing offerings

What you can expect from DUAL

- A-rated security
- Contract-certain terms ready to send to your client
- Fast response and swift turnaround
- Experienced underwriters with specialist industry knowledge
- Premiums from £1,000 +IPT
